Visionary Integration Professionals Attains Gold Certified Partner Status in Microsoft Partner Program

VIP Further Distinguishes Itself by Earning Microsoft Competencies in Custom Development Solutions and Data Management Solutions

FOLSOM, CA — October 15, 2007 — VIP, a global information technology solution provider, today announced it has attained Gold Certified Partner status in the Microsoft Partner Program with competencies in Custom Development Solutions and Data Management Solutions. As a Gold Certified Partner, VIP has demonstrated expertise with Microsoft technologies and proven ability to meet customers' needs. Microsoft Gold Certified Partners receive a rich set of benefits, including access, training and support, giving them a competitive advantage in the channel.

“Microsoft technology-based solutions are a critical part of our service offering”, said David Rowe, Executive Vice President, VIP Commercial Solutions. “From enterprise data warehouses to departmental dashboards, we deploy critical projects on a Microsoft foundation. We are extremely pleased to have attained Gold Certified Partner status in the Microsoft Partner Program. This allows us to clearly promote our expertise and relationship with Microsoft to our customers. The benefits provided through our Gold Certified Partner status will allow us to continue to enhance the offerings that we provide for customers.”

“Customers are looking for partner companies that can bridge the gap between their business demands and technology capabilities,” said Allison Watson, vice president of the Worldwide Partner Sales and Marketing Group at Microsoft Corp. “They need to trust in a company that can act as an expert adviser for their long-term strategic technology plans. Microsoft Gold Certified Partners, which have certified expertise and direct training and support from Microsoft, can build a positive customer experience with our technologies. Today, Microsoft recognizes Visionary Integration Professionals as a new Gold Certified Partner for demonstrating its expertise providing customer satisfaction using Microsoft products and technology.”

The Microsoft Partner Program was launched in October 2003 and represents Microsoft's ongoing commitment to the success of partners worldwide. The program offers a single, integrated partnering framework that recognizes partner expertise, rewards the total impact that partners have in the technology marketplace, and delivers more value to help partners' businesses be successful.
